## HARGRAVE AND HUXLEY CAROL SINGING

WITH THE CHESTER  
SALVATION ARMY BAND

7PM THURSDAY 16TH DECEMBER  
AT THE INN AT HUXLEY

## A Message from Laura

What is the true meaning of Christmas?  
- asked a journalist to the vicar of St Martins in the Fields, London. He replied, 'The true meaning of Christmas is for Christians to tell the rest of the world that they have forgotten the true meaning of Christmas.'

Well, let's for once forget about that and focus on the wonderful, Christian principles that we find throughout our community in December and January. I love Christmas, and always have. My earliest memories of Christmas were waking up at 5am and waiting for the slowest two hours of the year until I was allowed to get up on Christmas Day at 7am, and not a second earlier. These days, my Christmas starts a lot earlier with small 'Christmas' milestones, like a festive coffee, a John Lewis advert, or some sort of resentfully-overpriced 'Christmas experience', often located in a garden centre or theme park.

Christmas can be a wonderful moment in the darkness of winter to celebrate and be with friends and family.

Christmas may also be a difficult time, remembering past joys and losses, especially when they are magnified among the bright lights of celebrations that we see around us and on our screens. I think that is why I love the story of Christmas so much: a baby no one really cared about, who was worshipped by shepherds, who no one respected, who had no place to be born. I love the words of our carols that remember this story and how we reflect this in our behaviour: giving gifts; remembering members of our families we haven't seen since last Christmas; thinking of how we can be generous; getting together as a community; taking part in the living Advent calendar. Christmas is a natural time to reflect on what we have done for others and those in our families and communities. It is also the time to remember that we are the gift given

this Christmas to those around us, whether we asked to be or not. So Christmas is our chance to be God's gift. We can even continue into the new year. Happy Christmas and I hope to see you being God's gift this festive season.

Please let me know if there is anything I can do to help, or if you want a chat about anything, knock on the door or email me: vicarofhargraveandhuxley@gmail.com

**May the staff and volunteers of Chester and Cheshire West Foodbank wish you all a happy and peaceful Christmas.** Thank you all for your generous support this year – without your donations we would not be able to help so many local families in crisis.

At this special time of year there are, of course, those who are really not so fortunate as we are. Those who are forced to live a very different lifestyle..... through no fault of their own. Throughout the Christmas season the foodbanks will be operating and trying to help make Christmas special for those who need our help.

If you can help by giving some 'in date' food, then it will be very gratefully received and help someone or some family to enjoy the festive season. This month we are asking especially for Christmas food..... and little extras which would make someone happy – biscuits, Christmas puddings, mince pies, chocolate – as well as toiletries for young and old.

If you can help in any way, then please make a donation in the box in St Peter's, Hargrave – or else give anything you can to any member of the congregation who will be pleased to bring it in for you.

The generosity of our parish is amazing – and we thank you sincerely for your support. May Christmas bring you joy and love.

## Huxley and Hargrave WI

The November meeting was the AGM and it was well attended. Tricia thanked the committee for their help and they were voted in en bloc to continue to serve for another year. The Treasurer, Secretary and President all gave their addresses and it was noted that we have 6 new members since our lockdown ceased.

The cancellation of the Supper Club lunch at short notice was explained and a letter has been sent to United Utilities detailing our losses and asking for some sort of compensation. The lunch was re-arranged for the 17<sup>th</sup>.

There then followed a lively talk by Rosie Lee, the reluctant shepherdess, who took over the management of the family farm when she was 42 and a banker, attended Reaseheath college for 6 years to get various qualifications and is now a successful sheep-farmer. She works with educational establishments, holds classes for children and shows and exports her Shropshire sheep, an inspirational farmer working well with the community and nature.

The walking stick competition was won by Popsie Whittingham.

The re-scheduled Supper Club Lunch on the 17<sup>th</sup> was well attended and the speaker, a mountaineer, showed photos of some of his many expeditions round the world. They all seemed to be in very inhospitable conditions and the rescue services featured quite often! Spectacular scenery and lots of snow, but pictures of frost-bitten extremities would not encourage most to ever take part in this activity - a fascinating talk and much enjoyed.

The next meeting is the **Christmas Party** to be held at Hargrave on **Wednesday 8<sup>th</sup> December at 2.00pm** when the Chinese Cultural Society will entertain us.

2022 starts with a meeting on 12<sup>th</sup> January at Huxley at 2pm and a talk on "Houseplants" with a competition for a Houseplant.

Anyone wishing to join us can contact Tricia on 01829 781255 or Connie on 01829 781298 for more info.

In the meantime we wish you all a Very Happy Christmas.

## Ladies Who Lunch

The lunch in November at Willington Hall was very pleasant and raised £33.

The **December lunch on the 15<sup>th</sup>** is at The Inn at Huxley and our

**Christmas special** and anyone wanting to join us needs to pre-pay by the 1st December, so please contact me before then.

The lunch in January is on **Thursday 20<sup>th</sup> January** at Rowton Hall. Once again pre-payment is required by 6<sup>th</sup> January and numbers will be limited, so please get in touch asap. The new charity for 2022 will be 'The Blood Bikers'.

A big thank you to all the ladies who support these charity lunches and a Very Merry Christmas to you and yours.

For details of lunches or the charity please contact Chris Hunt on 01829 781112

## 'Men Who Munch'

The next 'Men who Munch' date will be on the **16th of December** at the Inn at Huxley at our usual time of 12noon. There will be no formal Christmas menu, but it will be available within the standard menu. It will give those who need a change from Christmas Fayre an opportunity to have a lighter lunch.

A note for your diaries is that we have also arranged our January 2022 Lunch for the **20th of January**. As the numbers have to be confirmed in advance, please give me a response at least a week in advance for December and by the beginning of January for the first lunch of the new year.

Nick has also reported that our last donation to the charity was £105.37. Well done guys and thank you. I look forward to seeing as many as possible at both of the next lunches.

## Hargrave & Huxley Historical Group

Season's Greetings. December begins with our Christmas Dinner on 4<sup>th</sup>, a ticket only event, when Carol Greenwood will be encouraging us to Brush Up Our Shakespeare.

Normal meetings resume on **Monday, 10<sup>th</sup> January** in Hargrave Church Hall at 7.30pm. In a change to our speaker, Month Mercer will now be giving an illustrated talk about James Hampson Spencer, Chester's Forgotten Photographer. The talk will be followed by refreshments.

Membership is open to all, costing £12 for the year or non-members can pay £3.00 at the door. For further information please contact Susan at [smj2908@btinternet.com](mailto:smj2908@btinternet.com)

## Huxley C.E. Primary School

Another month has flown by and what a busy one at Huxley. We have only been back from half term two weeks since my last entry to DOW but we have covered so much already. You may have seen our lovely Remembrance Day Art work at the front of the school -the children were wonderful during our minutes silence; quietly reflecting respectfully. We also have been writing about bonfire safety, exploring fairy tale characters and working hard on our number bonds and multiplication skills. Our handwriting is coming on a treat too!

In addition, we have taken part in Anti-Bullying week with this year's theme being 'One Kind Word'. In school we have mini buckets with each child's name on and children are able to pop little notes in about their friends' special qualities or just to say thank you. We know as a school community that kind words and appreciation are so powerful! We also wore Odd Socks to school one day to celebrate difference and explore what makes us all unique.

A huge thanks goes out to you, the local community, who supported the PTA event 'A Night with Bond'. I was unfortunately unable to attend but I have heard wonderful things about the night. Well done PTA- I look forward to hearing all about the grand total raised! A huge thank you also goes to The Inn at Huxley for hosting it- your support is very much appreciated.

As a school we are starting to get excited about Christmas and we look forward to starting our Christmas play which is titled 'Children of the World' and will link into our current

topic 'Wonderful World'.

We will be setting up our Christmas displays outside of school- so lots of exciting events coming up and I look forward to sharing pictures with you in the next edition of Down Our Way. Please follow our school Facebook page to see all the lovely things we get up to as a school.

Finally, may I take this opportunity to wish you all a very Merry Christmas from everyone at Huxley C.E. Primary School.

Mrs Rachel Gourley

## **HARGRAVE AND HUXLEY PARISH COUNCIL**

A meeting of Hargrave and Huxley Parish Council will be on Sunday 9th January 2022 at 5.00pm in Hargrave Village Hall. Members of the public are welcome to attend.

### **Message from Tarporley Cottage Hospital**

Dear Supporters

Tarporley Hospital would like to take this opportunity to thank the community for their patience and on-going support during these difficult times.

We can now update you on the positive progress that's been made between the NHS, commissioners of health care provision (CCG) and Tarporley Hospital. The discussions were chaired by Edward Timpson MP.

A sustainable future for Tarporley Hospital has now been secured. Under the new agreement, from 1st January 2022 TWMH will become a rural hub for the Cheshire West Integrated Care Partnership Rapid Response and Hospital at Home teams (CWICP) allowing for closer working with GP practices and existing community teams.

The move comes as The Countess of Chester NHS Trust aims to enhance its service provision in more rural areas. The new agreement allows for people to receive care and rehabilitation in their own homes, to either avoid being admitted to hospital or to support them with an earlier discharge from hospital.

Reducing admissions and the length of stay for elderly patients within hospital allows for patients to be cared for closer to home as well as provide better support for end-of-life care. Patients will receive the necessary care at home to support them remaining or returning home more quickly. Supporting patients at home is also proven to be beneficial to patients with a cognitive impairment as it helps keep them within a familiar environment.

Additional services, such as dressing clinics, diabetic support services and facilities for minor operations, are also being considered along with out of hour GP services. We hope to make

further positive announcements regarding any additional services or prevention sessions for chronic conditions in the New Year.

These are necessary changes to ensure the services are sustainable and best suited to the needs of the patient. The trustees and supporters of the hospital would like to acknowledge and thank the brilliant, dedicated and caring team of staff and volunteers for all their enduring hard work. It has been an extremely difficult and uncertain time. The team has remained professional throughout and understanding of the situation that we have found ourselves in due to the pandemic and challenges in delivering a different service model. We are proud of the work done over the years by the staff at TWMH. Many staff members have now left the facility and taken roles elsewhere in the healthcare sector, with some remaining in the short term to ensure outpatient services continue for the rest of the year. The charitable arm of Tarporley War Memorial Hospital still remains key and we recognise that it is important for the community to have involvement. As such, we would like to ask supporters to form a community-based focus group (league of friends) to discuss, fundraise and feedback to the hospital. The objectives of the charity will be to enhance patient experience and comfort and to help the team to provide services and patient care over and above that offered by the NHS.

We value the views of our supporters and would like to hear from you. In the interim, we will be setting up an online questionnaire to ascertain some ideas and feedback from the community. The questionnaire will be uploaded and available on our website from early December. We will make an announcement when it's live in the new year.

We would like to once again thank to all our supporters past and present to whom the hospital and community will be forever indebted. These are challenging times but with your continued support this cherished and much-loved hospital will continue to flourish and prosper into the future.

Yours sincerely

**Board of Trustees for Tarporley War Memorial Hospital**

## Christmas Gifts for Save the Family

On 12 December at St. Peter's, we will hold our annual Gift Service, at which Hargrave and Huxley people have always been most generous in helping families in trouble, fleeing domestic violence, substance abuse and loss of home and safety.

In order to target gifts most accurately, we ask you to think of them going to residents at Save the Family in the following groups.

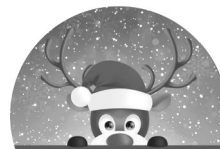

Age	Male	Female
1-2 yrs	5	-
3-6 yrs	8	7
7-10 yrs	7	10
11 yrs	2	-
Teen	3	9
Adults	3	18

Save the Family are very grateful for your continued support for those who are in most need at Christmas, and for whom you make a terrific difference. **ALSO – New This Year** – please would you donate the gifts unwrapped. They will wrap them for you, and will also be able to avoid accidental duplications, matching the individual more exactly to a gift. This should also get the best use out of what you give. Many Thanks.

## **Christmas with Kilvert**

**by Ol' Buzz**

Rev Francis Kilvert (1840-79) left a remarkable diary of life as a Victorian rural clergyman.

1870 Christmas Day. It was an intense frost. I sat down in my bath upon a sheet of thick ice which broke in the middle into large pieces, whilst sharp points and jagged edges stuck round the sides of the tub like *chevaux de frise*, not particularly comforting to the naked thighs and loins, for the keen ice cut like broken glass. The ice water stung like fire and I had to collect the floating pieces of ice and pile them on a chair before I could use the sponge and then I had to thaw the sponge in my hands for it was a mass of ice. The church was very cold in spite of two roaring stove fires.

16<sup>th</sup> December 1872. Dame Matthews used to live at Home Farm, Langley Burrell. She must have lived long ago because she called the cattle 'kine'. The Dame used to sit in the chimney corner and near her chair was a little window, through which she could see all down the dairy. One evening she saw one of the farm men steal a pound of butter and put it in his hat, clapping the hat on his head. The Dame called, "John come here, I want to speak to you." John came, keeping his hat on. The Dame ordered some ale to be heated for him, and sat him down next to the roaring fire. She bade him "Drink some hot ale, for 'tis a cold night, and I would speak about the kine." Miserable John, not daring remove his hat or leave without permission, sat before the roaring fire as the melting butter trickled down his face. At length the Dame said, "Now John you may go – and I shan't charge you for the butter."

The Compliments of the Season to you all.
